**We would like to
dedicate this
yearbook to
Mr. Wallimann!**

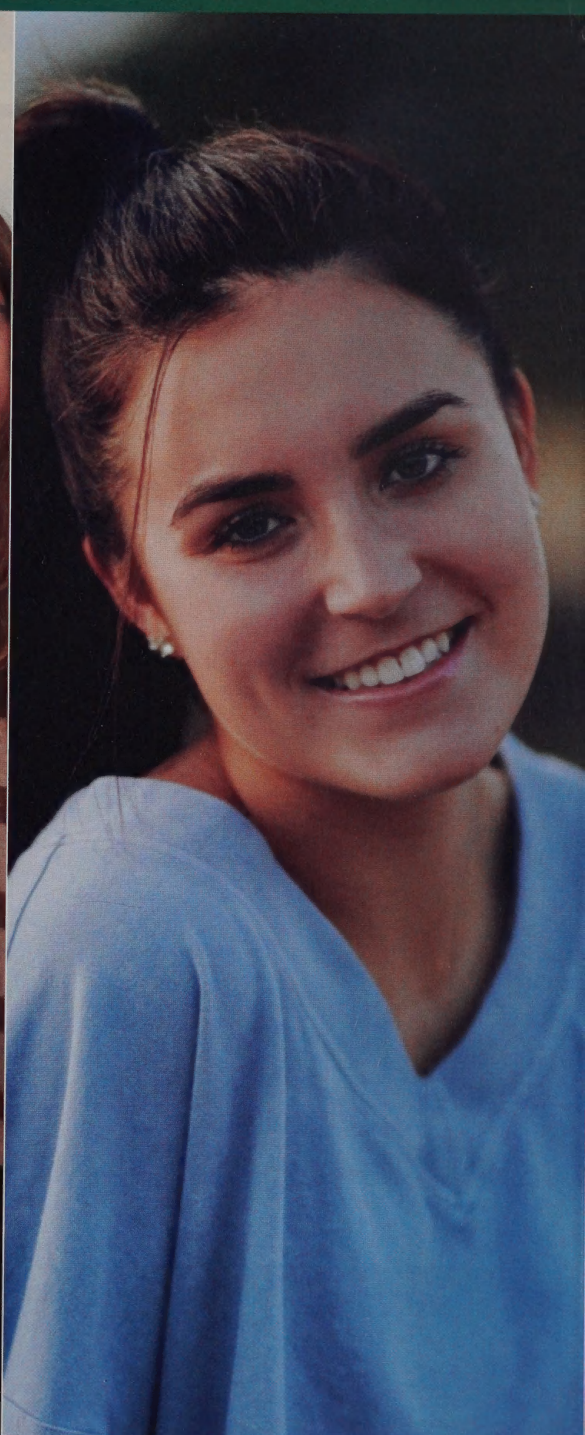

**Thank you
Ms.Dubois for
stepping in as
another class
advisor!**

Your 2020 Editors!

Dear Class of 2020,

It's been quite a wild four years. As we write this from home because COVID-19 has prohibited our presence at school, we reflect back on our high school experience. We congratulate each and every one of you on all that you have and will accomplish. As you head off into your futures beyond high school we hope you walk away knowing that you have the talent and strength to succeed at whatever you choose to do. We hope that looking back at this yearbook you will be able to reflect on all the memories you made during your high school career and treasure them along with all the new memories you are all going to make. While it might seem like the future is uncertain, know that the friendships and lessons you have learned these last four years will endure.

Ever since we took up the helm of the MERHS yearbook, you, the class of 2020, have been the best. All of the input that you gave us when we asked has helped us to create the best yearbook possible. We couldn't have done it without you all. Thank you.

It was an honor to work, learn alongside all of you, and look up to you.

Sincerely,
Molly Brady, Abby Conway, and Eden Mayer

Alexandria Jade Nunes

She's the air that I breathe
She's the beat in my heart
She's the tear in my eyes
When we're apart.
She's the pride that I feel
With all she achieves
I'm the one who gives hope
In what she believes.
She's a part of my body
But now she's all grown
As she waves me goodbye
To find a life of her own.
My beautiful girl
You've grown up so fine
You make me so proud
To know that you're mine.

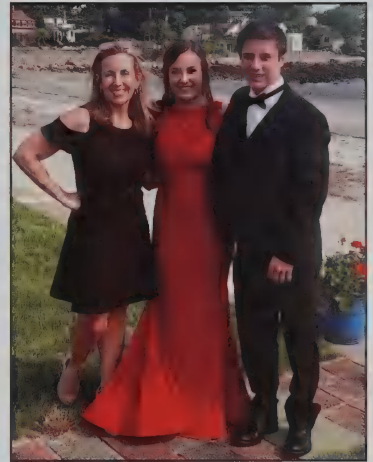

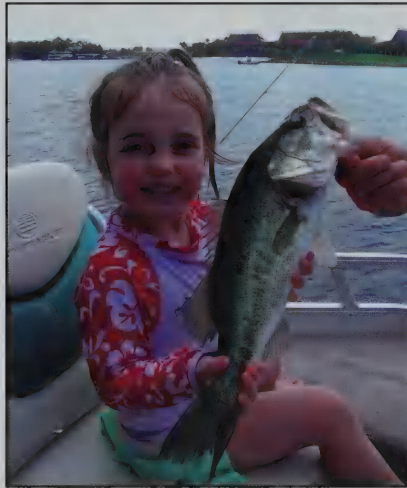

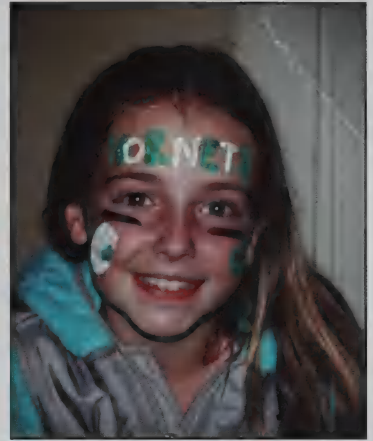

Love, Mom

The first thing you did in life was smile, and you changed me forever. I can't tell you how proud I am to be sharing this moment with you, my incredible daughter. Congratulations on this and the many more amazing things you will do.

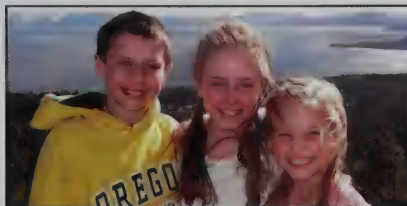

Love, Dad
